

Dear Scholars,

We are delighted to share that the Science and Engineering Research Board (SERB), Department of Science & Technology, Govt. of India is promoting and supporting industry relevant R&D by partnering with Institutions of Academic Excellence.

**The Prime Minister's Fellowship for Doctoral Research Scheme** is a prestigious initiative of SERB towards the advancement of university research engagements in line with industry requirement. The scheme encourages full time scholars to pursue research in "focus areas". There are 100 slots of fellowships available annually to researchers in reputed research institutions. This is a unique PPP initiative to bridge the gap between industry and academia and make research and commercialization an inherent element of Indian life.

**The area of Research are Medicine, Life Sciences, Technology, Engineering and Agriculture.**

Applications are being invited for this program and **Selected candidates will get scholarship of Rs. 76880/- per month upto 4 years.**

In view of the above **Federation of Indian Chambers of Commerce and Industry** (FICCI) is organizing a 1-hour workshop for highlighting the benefits of the program & other details for Ph.D. Research Scholars and Post Graduate Students.

The theme of this workshop is **Industry Academia Collaboration – PMRF Program.**

All Ph.D. and Post Graduate students are advised to attend the workshop. Schedule is as under:

**Date :** 24<sup>th</sup> February, 2024

**Time :** 11.30 am to 12.30 pm

**Venue:** New Lecture Theatre (4<sup>th</sup> Floor),  
Santosh Deemed to be University, Pratap Vihar, GZB
